

Parents as partners

A child's education is a shared responsibility between parents and staff. We recognise parents and carers are the first and continuing educators of their children.

We believe that parents and staff working together is vital to ensuring a child's individual needs are fully met and each child gets the most from their school experience.

At Cavendish Close Infant School we strive to develop effective, collaborative relationships with parents and other family members, to enhance children's learning and development, leading to improved learning outcomes.
