

# Nursery - Home Learning – Week 3

## We are starting a new topic exploring colours!

Keeping safe, happy and healthy

### Make time every day to be active

- Join in with Joe Wickes every weekday morning at 9.00!
- Remember that yoga will help you keep calm and feel happy. Have a look at [Cosmic Kids Yoga](#). There are four nursery rhymes you can move to and there is some great advice on mindfulness too.
- Remember to wash your hands lots of times and really well with soap.  
[Wash your hands with Baby Shark](#)

### Talking and playing with your child is the best way for your child to learn

Please look at the websites below for ideas and information on how you can help your child to learn.

Hungry Little Minds - <https://hungrylittleminds.campaign.gov.uk/>

Tiny Happy People - <https://www.bbc.co.uk/tiny-happy-people>

Big Little Moments - <https://www.abetterstartsouthend.co.uk/biglittlemoments>

Small Talk - <https://small-talk.org.uk/>

### Listen to a story every day

- We are going to be exploring colours. Please enjoy this week's story [The Day the Crayon's Quit](#)
- Share books together. Ask your child to point to the words as you read them. <https://www.bbc.co.uk/cbeebies/watch/storytime-app>
- To become a good reader it is really important to listen, tune in to words and hear patterns in words. Sing along with Jack and join in with his rhyming game. [The Rhyming Song](#)

### Writing

Remember to practise writing your name every day. Click here [here](#) to know how to form letters correctly.

Hold your pen or pencils with a pincer grip like this

Make a picture using black and white. You could draw or use your cutting and gluing skills.

Hold your scissors like this

### Maths

Play counting, matching and ordering games with numbers 1 to 10. Click on the link below [The Gingerbread Man counting games](#)

Make a number line with numbers 1 to 10 for your child to look at every day.

### Phonics

Using the objects from your colour hunt talk about the names of the objects. Break the word up into phonemes (sounds). Can you think of a rhyming word? E.g. If your object is a dice...  
- dice begins with 'd'.  
- d/i/ce has 3 phonemes (sounds)  
- mice, rice are rhyming words  
**It's important that your child enjoys playing with words**

### Our Wonderful World

**Black and white colour hunt** - Can you find black and white things around your house? Put them on a tray or plate and talk to your grown up about what you have found.

**Memory game** – Use the black and white objects on your tray. You need two or more people to play this game. Look carefully and try to remember all of the objects. Cover the tray with a tea towel and one player takes something off the tray without the other player/s looking. Whip off the tea towel and the first player to guess the missing object is the winner! You can make this game trickier by adding more objects and taking more than one object away. **Improving your memory will make you a better reader!**

**Find out about...** - Can you use the internet or books to find out about Zebra's. Can you think of any other animals which are black or white?

Use these words to help your child develop a positive attitude to learning;

You can do it! Keep trying Reach for the stars I wonder? What do you think?
