Remember to
warm up your
fingers before
writing.

Does it make
sense?

Have you used a **Capital Letter** at the beginning of a sentence or for a name?

Don't forget the
finger spaces!

Are all of your letters sitting on the line?

Have you ended with a full stop, exclamation or question mark?

I used these tips
to write a super
sentence!

I went on the big swing!

Remember to
write from left to
right!
