Hello! Children,

We are missing not being at nursery with you but are so glad you are staying at home with your family and keeping safe.

We have loved the photos some of you have been sending us about how busy you are; reading, making cakes, gardening, drawing, painting, writing, making bird feeders, hunting for shapes and colours, doing jigsaws, playing in the paddling pool and looking after your pets! We will have so much to talk about when we see each other again! Please keep sharing your learning with us by sending your photos.

Try to make good choices by listening to your grown-ups and talking about how you are feeling so you can be happy like the Green Mood Monster. Keep enjoying books too!

Love from
