

In school we use 'Letters and Sounds' to develop interest in letters and words and 'Every Child a Mover' toolkit to support children's physical development

I will learn to write but first I need to...

Imagine

Making up stories while I play will help me to write

Use All of My Fingers Independently

Singing action finger rhymes and using construction kits will help me to write

Draw and Scribble

Making marks and shapes with paint, water and crayons and talking about what my marks mean will help me write

Manipulate

Patting, pinching, and rolling play dough will help me to develop coordination and strength to write

Be Physically Active

Climbing, riding a bike, running, crawling and jumping will help me to write

Play with Letters and Words

I need to be interested in letters and words to write

...And I need someone to show me how important writing is everyday!
