

Cavendish Close Infant and Nursery School

Home Learning Support

We would like to recommend two online resources to help your child to learn at home. These will support and can be additional to the weekly home learning plans your child's teacher posts onto the school website each Monday.

Oak National Academy is a collection of high-quality lessons and online resources. Backed by the government, it has been created in response to the coronavirus lockdown to support children to learn at home.

Follow the link below;

School advice on how to use Oak National Academy

- We recommend you use it in addition to the weekly home learning plans on the school website to offer a structure for the day.
- Log onto the **online classroom** using the link above.

- Click the **Subject** button to access video lessons, quizzes and worksheets suitable for children in **Reception, Year 1 and Year 2**. The lessons are ordered so your child can learn along a clear plan.
- We recommend using the English and Foundation (Science, History and Geography) subjects.
- For Maths learning, we advise following the school's 'Power Maths' scheme which your child is familiar with, using the work set by your child's teacher on the school website.

BBC
Bitesize
Daily lessons

BBC Bitesize Daily is a home learning tool that offers special daily broadcasts for both primary and secondary aged children

Follow the link below;

<https://www.bbc.co.uk/bitesize>

- 20-minute lessons are organised by year group, from Year 1 to Year 10. They feature a mix of videos, animations, practice activities, quizzes and games
- After choosing the right age, you'll see the lessons are split up into subjects and days.

- You can choose how to watch it;
- **Monday to Friday** - Watch Bitesize Daily on **BBC Red Button** from **9am to 9.30am**
- We know that this clashes with Joe Wickes and so you can **catch up via BBC iPlayer!**
