

# Home Learning for children with SEND

## Communication and Interaction

- Spend time everyday sitting and talking to your child.
- Children thrive on routine and structure and love to know what is happening throughout the day.
- Go out on a daily walk and spend time talking to your child about what you see on your walk. Have a go at describing something that you see on your walk. Can your child guess what you have described?!
- You can find lots of speech and language games and activities on this website – <https://speechandlanguage.info/parents>

## Cognition and Learning

- This poster has some fun activities that you can do with your child at home to encourage them to become an independent writer!

## Physical and Sensory

- Make sure that you stay active everyday by joining in with Joe Wicks, live at 9am!  
<https://www.youtube.com/watch?v=K6r99N3kXME&feature=youtu.be>
- Go on a daily bike ride with your family! Riding a bike will help to develop your gross motor skills and also your core strength.
- Use your skipping rope, hula hoop and bouncy ball to make an obstacle course in your garden. Who will become the obstacle course champion?!

## Information for parents

- If you have any worries, concerns or need a little support and advice, please do not hesitate to contact Mrs Vincett on the email address – [Leadership@cavclosei.derby.sch.uk](mailto:Leadership@cavclosei.derby.sch.uk)
- The Oak Academy is a collection of high-quality lessons and online resources. Backed by the government, it has been created in response to the coronavirus lockdown to support children to learn at home. The week beginning May 4th the Oak National Academy will be expanding its offer to include a specialist curriculum.
