

Year 1 - Home Learning – Week beginning 1.6.20

Reading Challenge

- Listen to and read the book Aliens love Underpants: <https://www.youtube.com/watch?v=-Xq0tE1wjw4>
- Can you find the rhyming words in the text.
- Imagine you are one of the aliens. Make some little speech bubbles to the illustrations from the book to explain what the aliens would be saying.
- Can you say what the meaning is for the words: radar, long johns, blame, lurks.
- Did you enjoy this story? Write down your opinion of the story in a book review- draw a picture of the front cover, write which parts were your favourite, and write if you would recommend this book to someone.

Be like Flexible Flo

Think of good ideas and think of **different** ways to do things!

Go on – You **CAN** do it!!

Writing Challenge

- Have a look at our writing poster to help you: <https://www.cavclosei.derby.sch.uk/wp-content/uploads/2020/05/KS1.pdf>

- Find your 5 favourite **adjectives** from the book and see if you can use some of them in a sentence. Challenge- write these sentences in your neatest handwriting... see if you can amaze your grown up.
- Draw a large colourful alien on a big sheet of paper. Use some words to describe what it looks like, what noises it makes, what is its personality like? Challenge- use words with the suffix **-ful** and **-less** such as **helpful** and **fearless**.
- Is there an item that always goes missing in your house? Write a mini story and explain how they mysteriously end up getting lost. Challenge- use the conjunctions **'and'** **'or'** **'but'** to make longer sentences and give more information.
- Teach the aliens the human alphabet. Name and write letters of the alphabet in order.

R - Time

With a family member, can you think of 4 questions that you would like to ask the aliens in the spaceship? Remember to use your R Time manners, taking turns and sharing ideas 😊

Maths Challenge

- Make your own set of symmetrical underpants with some repeating patterns!
- Why not try the Power Maths summer home edition work on 'Finding Halves' on page 132? http://go.pardot.com/e/749453/PowerMathsYear1/51zwl/107009395?h=C_skoadER-jTgJOaTsYBIzIAWPQmuuMkpGJv-18KjmM Afterwards, you could draw some of these shapes on your pants design, and then colour in half of each one to astound the aliens.
- Practise counting backwards by pretending to be a rocket. Crouch low and start a countdown from 20. When you get to zero blast off into space!
- The aliens go on a school trip with 20 class mates. If there is 12 in one space ship, how many would be in the other ship? What if the next time there are 9 in the first ship? How many different ways can you make 20?

Challenge Time

Science: Everyday materials:

- Can you find different kinds of material around your home.
- Look on clothes labels and see what they are made from.
- Can you use some words to describe how material moves and feels. Can you think of other uses for cloth material?
- Compare everyday materials. How is it different to rock, glass, wood, plastic, metal, water?

Art and Design:

- Can you design a control panel for a space craft. Be inventive and use materials found round the home like bottle tops, foil, cereal boxes, lollisticks or tubes. Can you find a way to make moving parts?
- Design a new set of underpants. Can you use some different materials?

Useful Websites

 Need something new to read? Visit **Collins Big Cat ebooks**: <https://collins.co.uk/pages/big-cat-ebooks>

<https://offschool.org.uk> – This is a FREE, useful website which has been designed to help with home learning. It has been made by various teachers who have contributed to the online platform. There are resources and fun activities for your children to access.

Super Schools virtual lessons with Derby County Football Club – Click on the link and join in the fun!! Match day Maths Week 1 –
