Challenge Time

Create a booklet all about the family:

- Look at photographs of your family members and discuss where they would go on a family tree. Have you met everyone? Is there anyone you could interview and find out more about?

- Can they name the people in their family and write sentences about them? Who are they? What do they call them? What do they like or dislike? Why are they special to them? Maybe they could get a photograph or draw a family member before they write about them.
