

Nursery - Home Learning – Week beginning 22.6.20

‘The Gingerbread Man’

Dear Parents/Carers,

We would like to thank you for all the support you have given your child over the past 3 months with their home learning. We are so thankful to those of you who have shared the incredible work you are managing at home by emailing photos to us at nursery@cavclosei.derby.sch.uk. From this we can see that creative challenges seem to be more motivating and inspiring. In response to this we have altered the home learning plan. We will continue to offer ideas on this page, to support your child’s physical and emotional development along with speech, language and communication as these will support your child to be able to listen and learn when they return to school. In addition we will each set a challenge for the week linked to a traditional story. This week is ‘The Gingerbread Man’ which your child will be familiar with.

Thank you for continuing to support your child’s development and learning at home. Spending time talking and playing with your child will have the greatest impact on their development.

Best wishes,

Mrs Howett, Mrs Bee, Mrs Brown, Mrs Panter and Mrs Tarakaneic.

grow HAPPY

Keeping safe, happy and healthy

Make time to be active every day!

Visit <https://home.jasmineactive.com/login> and use your real PE at home school log in, which is: parent@cavendishc-1.com Password: cavendishc

Real PE develops all your learning skills, not just the physical ones. Get extra help and tips by watching the video for each day.

Shatter matters™

Talking

Talking and playing with your child is the best way for your child to learn

Please look at the websites below for ideas and information on how you can help your child to learn.

Hungry Little Minds - <https://hungrylittleminds.campaign.gov.uk/>

Tiny Happy People - <https://www.bbc.co.uk/tiny-happy-people>

Big Little Moments - <https://www.abetterstartsouthend.co.uk/biglittlemoments>

Small Talk - <https://small-talk.org.uk/>

Reading

Listen to a story every day!

Useful websites:

Have a look at <https://offschool.org.uk/> for some fantastic learning opportunities!

Mrs Howett's Challenge

Draw a map of the story

Can you draw the story like a map? Start with the house and the oven and the Little Old Man and Woman. Draw the path the Gingerbread Man runs along. Can you draw the different animals he runs past?

Find out one fact about each animal in the story.

We learnt about nocturnal animals in nursery. Do you think foxes are nocturnal?

Have you ever been to a farm? What kinds of animals would you see in a farm?

Mrs Bee's Challenge

Gingerbread Man

Can you make a gingerbread man?

You can find the recipe here:

https://www.bbc.co.uk/recipes/gingerbread_men_99096

Think about the Mood Monsters. Can you change your gingerbread man's face to make him look excited, sad, angry and happy. Talk about how he feels when he meets the fox.

Be careful he doesn't run away!

Mrs Brown's Challenge

Gingerbread Family

Can you make a family of gingerbread men, big, medium and small?

Make your gingerbread family using play dough. What could you use for their eyes, nose and mouth? Roll a dice to help you decide how many buttons each gingerbread person will have. Take a photo and send it to the nursery email!

Mrs Panter's Challenge

Make a Puppet

Make puppets of each characters in the story The Gingerbread Man? You could use card from cereal boxes, glue and lolly sticks or materials like felt to make finger puppets.

Can you make a setting for the story? You could make a Lego house and oven, a path, grass and river.

Now use your puppets to tell the story.

Mrs Tarakaneic's Challenge

Gingerbread Man Investigation

Can you be super scientists and find out what would have happened if the gingerbread man had fallen into the river? You will need a bowl of water and gingerbread man biscuit. Place the gingerbread man into the water. What's happened? With the help of an adult you could even find out what would happen if he fell into a cup of tea or bowl of soapy water!
