

Hello class 7! It's Mrs Dalton here. How are you all doing? I wanted to send you a postcard to tell you what I have been doing over Half Term and hopefully you will write me one back!

I am missing all of you so much- it's been such a long time since I saw you and I miss your smiley faces. I bet you've all grown and changed a little bit, maybe your hair has grown- mine definitely has! Or some of you may have lost some teeth?

I'm so grateful for this beautiful weather we've had. I have a big smile on my face when I see the sun in the morning. I enjoy eating my breakfast in my garden and listening to the birds tweeting when the weather is like this. It helps me feel nice and relaxed every day. I've been admiring the plants that are growing in my garden. I've grown some beautiful lavender plants, some roses and there are some delicious strawberries growing. You can only see the flowers at the moment- I'm waiting for them to grow into yummy strawberries. I also love having a BBQ in the sunshine at the end of a busy day. Burgers are my favourite summer food! Have you had any BBQ's this summer?

I've been busy in the kitchen too trying different recipes. I like to have some chocolatey treats occasionally so I made myself some chocolate brownies. I followed the instructions carefully and measured the ingredients. They were absolutely yummy! I also made pizza and it was delicious. My favourite toppings are cheese, tomato, bacon, pepper and sweetcorn. What are yours? I make sure that I'm eating lots of fruit too so that I'm eating a balanced diet. I love to make a smoothie or eat some fruit kebabs.

Now I've been really busy during this half term... I've moved house! So I spent quite a few days carrying lots of boxes and unpacking them. Then I had to decorate my rooms with paint, put some new curtains up, make sure everywhere was nice and clean and put everything away again. I was exhausted by the end of the week, but it was all worth it as I am excited to be living somewhere new! I've been going on walks and exploring my local area. Where do you like to go walking in your local area?

Could you send me some pictures of the activities that you have been doing over half term. I would love to see them! You could send them to [year2@cavclosei.derby.sch.uk](mailto:year2@cavclosei.derby.sch.uk).

Love from Mrs Dalton xxx

Class 7

Chaddesden,

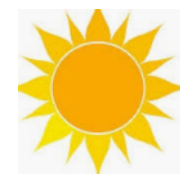

Derby

My gooey chocolate brownies. Somebody took a bite out of one...

My beautiful lavender plants are growing- they smell lovely and they attract lots of happy bees.

Here are my strawberry plants and my roses blooming in the sunshine.
