

Year 2 - Home Learning – Week beginning 29.6.20

Reading Challenge

Listen to Miss Doxey read Funny Bones

<https://m.youtube.com/watch?v=xbKo9WzPoFk&t=431s>

- V-** Can you find synonyms for the word dark? I.e. pitch black
- I-** Why is the book set at night time? How does it make you feel?
- P-** Why would you want to keep away from the crocodile skeleton?
- E-** Read the Pet Shop book from the series https://www.youtube.com/watch?v=QSzr_iVPgl which book do you prefer and why?
- R-** How did the big and little skeleton solve the problem when the dog fell into a pile of bones?
- S-** What happens in the beginning, middle and end of the story?

Vocabulary
Infer
Predict
Explain
Retrieve
Summarise

★ **Wordwise Challenge:** Can you write a variety of words using these phonemes. Can you think of a compound word or a word ending in a suffix?

Monday: ay, ei e.g. reindeer

Tuesday: ey, a_e e.g. prey, grateful

Wednesday: i, i_e e.g. spiteful, behind

Thursday: u, ue e.g. uniform, gluestick

Friday: ew, ui e.g. suitcase, chewing

Writing Challenge

- Use these weblinks to help you get started:
<https://www.bbc.co.uk/bitesize/clips/ztfnvcw>
<https://www.dkfindout.com/uk/human-body/skeleton-and-bones/skeleton/>
- Get a big piece of paper and ask a member of your family to draw round you. Can you label the different bones in your body?
- Can you write some information on the human skeleton using your research. See if you can use some different vocabulary. What are our skeletons used for? Which organs do our bones protect? Use conjunctions such as because, if, and, when to explain your answers.
- We've got a bone called the humerus bone, have you ever banged your elbow and it's felt really funny? Why do you think it's called humerus? Can you make up some of your own funny bone names?

R - Time

Make your own 'helping hand' and draw the skeleton outline. How can you help people in your community? Which people might need our help? How can you help to keep our environment clean? How can you help your friends? Write some labels of how you're going to be a brilliant helper.

Maths Challenge

- Did you know we have 22 bones in our skull? How many different ways can you make 28 using addition, subtraction, multiplication and division. Challenge yourself! Can you check your answers using the inverse?
- Have a look at some shadows in the garden with your family. Measure each shadow by cutting a piece of string the same length and placing it next to the shadow. Can you measure it using a ruler or a tape measure? What creates the largest shadow in your house or garden?
- Work out these maths problems: 15+5, 23+4, 23+10. 42-10, 18+ 22, 72-14, 54+5, 98-17, 4x5, 10x9, 11x3, 35÷5, 60÷10.
- Have a look at this week's lessons on the White Rose Maths website: <https://whiterosemaths.com/homelearning/year-2/>

Challenge Time

- Can you find some different animal skeletons and compare them to the human body?
- Can you create your own skeleton picture using different materials?
- Now that you have learnt some different names for our bones, see if you can make up your own song to remember some of them by.

- Could you create some skeleton puppets and create your own show about the funny bones story?
- The skeletons like night time. Why do we have day and night? What happens with the earth and sun to create day time and night time?
- Investigate how shadows are made when the sun is out. How can you change the shape of your shadows? How are shadows formed?

Real PE at home.

Day 1	Day 2	Day 3	Day 4	Day 5
Practice and perfect your Astronaut Skills	Play the cheeky Monkey's Throw the Fruit game?	Enjoy the chitter chatter of the Five Cheeky Monkeys song	Can you do what the Cheeky Monkey says?	Discover your own Fairytale Adventure

Parent e mail: parent@cavendishc-1.com Password: cavendishc

- All the activities written in colour above can be found on **day 1-5** of the activity timetable, use the toggle to select EYFS (Reception)/KS1 activities.
- Get extra help and tips by watching the video for each day.

Real PE develops all your learning skills, not just the physical ones. This week's focus is on social skills

- Taking turns, sharing and using kind words?
- What did you do well? What would you like to improve next time?
