

Dear children and staff,

We are excited to invite you to be part of a whole school art project that will be on display for years to come. It celebrates a sense of community and family that we are proud of here at Cavendish Close Infants and Nursery School.

‘Home is where the heart is’

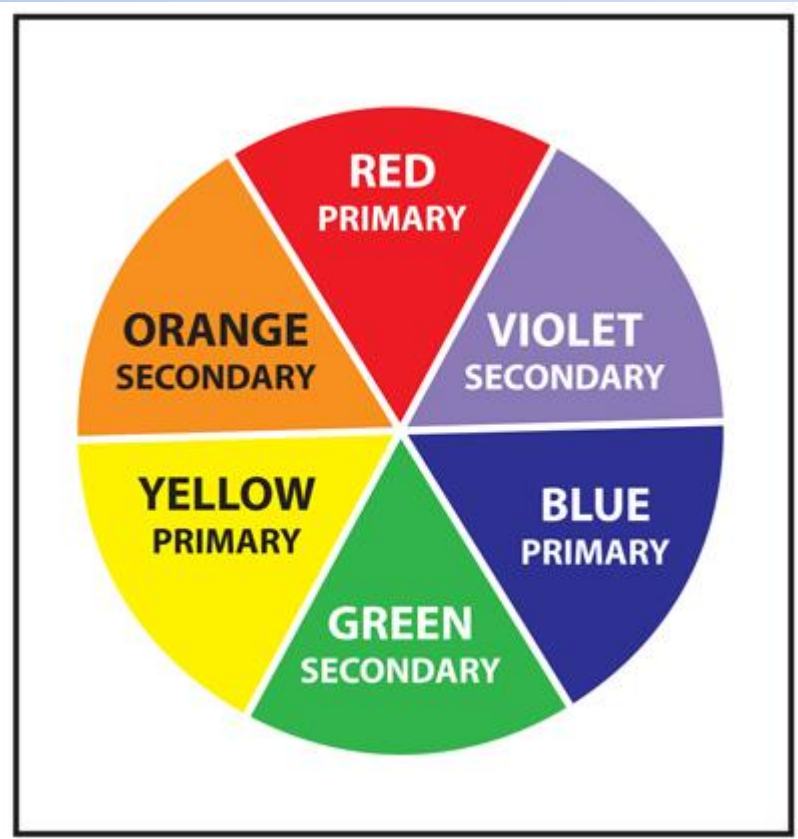

What do I need to do?

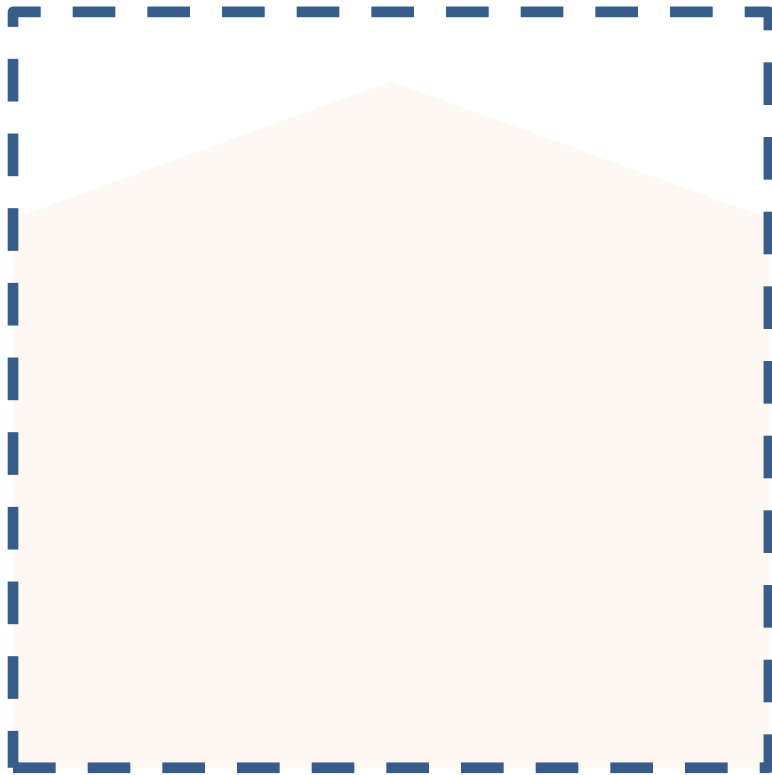

Draw and decorate 1 little house on paper.

What size?

Start with a square piece of paper that is 10cm x 10cm. Children, have a go at measuring your own. Your house must be 10cm wide and up to 10cm tall (you choose the height).

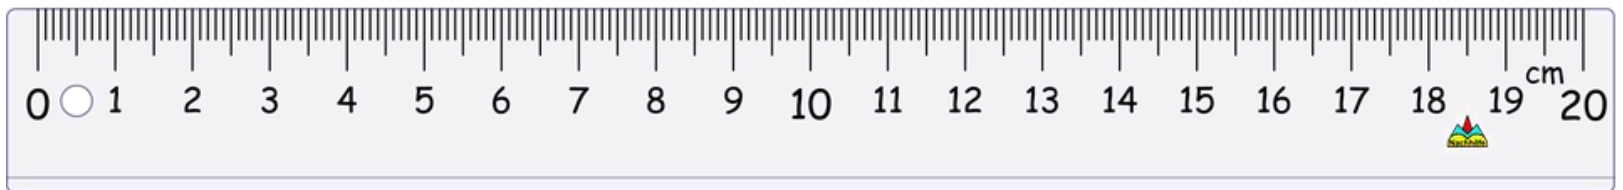

Use bright colours like the ones on this chart. These are known as primary and secondary colours.

This square has a width of 10cm and a height of 10cm.

The house must be 10cm wide but as tall/ short as you like (up to 10cm).

How shall I decorate it?

Your house can:

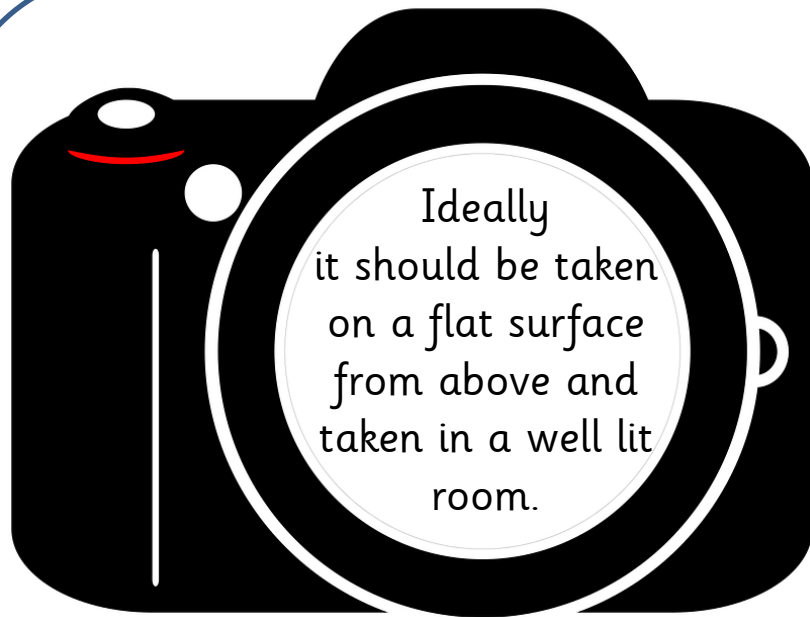

1. Look like a real house (think of all the features you find on a house)

OR

2. Be abstract-
You could use the artist Kandinsky to inspire your mini house.

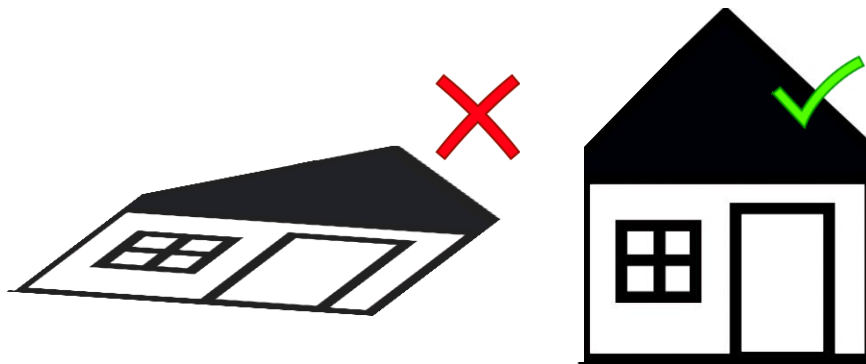

The houses look most effective when there is no white paper left showing.

Use any things you have at home:
pens, crayons, tissue paper, paint.

How do I submit my artwork?

Take a clear photograph of your house.

Email the photo to your year group address:

Nursery@cavclosei.derby.sch.uk
Reception@cavclosei.derby.sch.uk

Year1@cavclosei.derby.sch.uk
Year2@cavclosei.derby.sch.uk

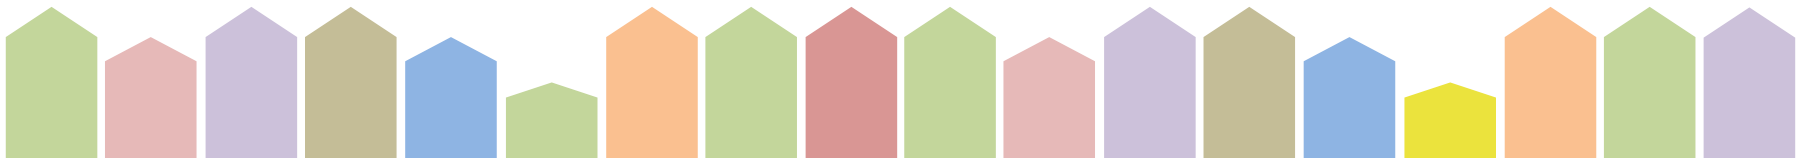

Your work will then be professionally mounted, cut out and added to the large artwork.

Remember, little artists, to make something you are proud of. I wonder if you will be able to spot your mini house when you come into school and feel great to be part of something special.

We hope to create a large scale artwork something like this:

100's of mini houses by all the children and staff of Cavendish Close Infants will make an impressive artwork.

We can't wait to see
your artwork. Please
email it to us by:

Friday 17th July 2020.

Kind Regards,
