

Reading Updates – November 2020

Reading at home

Thank you for taking the time to read at home with your child every day. Please remember to do homework each week and write in their diary daily.

Reading for Pleasure

Our children are enjoying reading our new Big Cat reading books. We actively promote a love of reading in school and are happy to announce that children will be able to borrow a 'library book' of their own choice from our classroom to support this. Please enjoy sharing these books with your child. These books will be sent home on a Friday and will be collected in on a Wednesday to be safely quarantined. Please ensure that all books from school are in children's book bags every day as the children enjoy reading them daily in our 'Drop Everything And Read' sessions.

Extra reading books

We know that some children are well supported with their reading at home, they read every day and read with confidence and enthusiasm. We are aware that these children may benefit from having extra reading books to take home and we are currently planning how we can support this. Please look out for our parents reading survey which will be coming to you soon.

Collins Big Cat eBook Catalogue

We are pleased to inform you about the Collins Big Cat online eBook catalogue which children will be now be able to access from home. Your child has their own account where they will find books assigned by their class teacher that are linked to their current phonics reading level. Teachers will be able to monitor each child's use of the catalogue and see which books your child has read. Please see the attached parent user guide with website and login details.

Remember to enjoy sharing books together!

Miss Doxey (Reading Lead)
