Education City is an interactive learning platform to support studying at home. Cavendish Close Infants School have invested in a subscription for all our children as we feel that it is an excellent tool to support home learning.

- Work is carefully selected by your teachers to reflect the curriculum in your child's current academic year.
- It's a place to access many subjects in one place, especially maths, English, and phonics.
- Teachers update it on a half termly basis so there is plenty for your children to explore.
- It's also a great tool for teachers to monitor your child's progress.
- It's simple to navigate the website, and most of the resources are tablet-friendly too.
  **Please head to: www.educationcity.com
  and use your login details to sign-in.**

The Oak National Academy is a collection of high-quality home learning lessons. They match the National Curriculum and are designed to reflect the order of a normal lesson. They have lessons that are from Early Years foundation stage children and upwards.

- Quizzes before and after lessons help you to see progression, and identify what you might need to revisit.
- Professional experienced teachers have been chosen to deliver the lessons
- Each lesson is 1 hour long
- No login or password is needed.
- Can be accessed on any device
- The only materials required for the lesson are things you will find at home.

BBC Bitesize has lessons on different topics related to learning aims for your child. It is full of fun videos, quizzes and practice activities to help you keep on track when learning at home. They also bring together resources from other organisations such as Powermaths, Collins, Classroom Secrets to create multimedia learning opportunities. The resources are organised into year groups, from Year 1 upwards, through to Secondary School.
