

Year 1 - Home Learning – Daily challenges 01.02.2021

Hello Everyone!

We hope you had a pleasant weekend.

We are sorry that we will not see you but we have lots of great activities for you to complete at home. Don't forget to make time every day to have a good try at all the activities. All of the 'daily home learning challenges and resources' can be found on the Year 1 home learning page. Click on the pictures to go to the websites!

Remember to read every day by using the Big Cat Collins books online using your log in details and password. Don't forget our schools promise to READ EVERYDAY! It really does make a huge difference to your learning.

Remember you can access activities on Education City, which will be updated weekly using your own login details.

The green rectangle shows you approximately how long you should spend on each challenge.

If you need additional support please access the Earth challenges, you should all be reaching for the STARS!!! Remember to send your work in daily for your teachers to see using the Year 1 email address.
