

# Year 1 - Home Learning – Daily challenges 07.01.2021

Hello everyone!

Are you ready for today's challenges? Come on... You can do it!

It's very important that you make time every day to have a good try at all the activities. All of the 'daily home learning challenges and resources' can be found on the Year 1 home learning page. Click on the Cavendish Close logo at the top of the page and it will take you straight there!

Remember to read every day by using the Big Cat Collins books online using your log in details and password. Click the Big Cat picture to go straight to the website. Don't forget our schools promise to READ EVERYDAY! It really does make a huge difference to your learning.

You can access activities on Education City, which will be updated weekly using your own login details. Click on the Ed City icon and it will take you straight there!

The green rectangle shows you approximately how long you should spend on each challenge.

If you need additional support please access the Earth challenges, you should all be reaching for the STARS!!!

Remember to send your work in every day for your teachers to see using the Year 1 email address.

From The Year 1 Teachers. xx

## Our new Topic is...

Click here

Would you rather live in the Arctic or the Antarctic?

This week's shared reading is 'Polar Lands'. Click on the picture to access the shared reading power point. Discuss the vocabulary and read the book with your grown up. Try to answer the questions.

30 mins

## Common Word Challenge

Read the words and play 'look, cover, write, check'.

Look at the word, cover it, write it and check to see if you were correct.

	go		said
to	no	one	their
into	the	were	friend

20 mins

## Writing Challenge

**Aim:** Each day at school we will be writing a weather diary. Look out the window or stand at the front or back door. What can you see? What can you hear? What can you feel? Write two or three sentences to describe the weather each day. Look at my example;

### Thursday

Today the sky is full of big white fluffy clouds. There is a strong wind and it feels cold on my cheeks.

I can tell my grown up what the weather is like today and begin to write some words using my sounds

Use capital letters and full stops. Extend your sentences by using the word '**and** or **because**'

50 mins

## Maths Challenge

Unit of work: Addition within 20

Watch the video lesson and have a go at the activities.

<https://classroom.thenational.academy/lessons/to-subtract-by-counting-back-using-a-number-line-cgr36d>

50 mins

	Adult support
	Work independently

## Challenge time

**I am a Researcher:** Find out some facts about the composer Vivaldi. When was he born? Where was he born? How old was he when he died? What are his famous compositions?

20 mins

## Wordwise

20 mins

**Wordwise wizards** don't forget to do your daily phonics. It's really important to practise every day. We are practising blending longer words with adjacent consonants. Go to the Year 1 learning page Phonics link and access Thursday's lesson.

## PE at home

20 mins

Don't forget to stay healthy by being active. Do the actions and get ready to move! Click on the links below
