

Year 2 - Home Learning – Daily challenges 28.1.2021

Please email your work to year2@cavclosei.derby.sch.uk

Please aim to complete ★ Star challenges
If you need a lower level have a go at 🌍 Earth challenges.

Be like Curious Ash
Enjoy being a detective and finding out new things. **Explore** and ask clever questions.
Go on – You **CAN** do it!!

Find activities that are fun AND educational at Education City Press here:

Don't forget to READ EVERYDAY! Press here for Collins Big Cat school reading books.

All daily home learning challenges and resources can be found on the school website. Press here:

Writing Challenge **Aim: Write for different purposes: Write a story.**

40mins

Starter activity: Read the poster 'How to write a good story' on the school website.

Main: Tomorrow you will be writing a story about an animal that has been hibernating and wakes up. Today we need to **map** our story and decide what will happen. Draw 3 boxes and in each one make notes for your own use tomorrow:

Beginning:

This is when to introduce your character and setting.
Opening: Your animal wakes up.
What do they *see/ feel/ do*?

Middle:

What is the problem that the character has to overcome? Perhaps your animal is very hungry after his big sleep. Are there other characters that help?

End:

Write how the problem was resolved, and how you will finish the adventure.

Wordwise Wordwise wizards don't forget your daily dose of phonics. It's so important to practise every day as reading underpins learning in all subject areas.

★ You will find the new Wordwise loom videos on the school website. This covers the YR2 phase 6 phonics lessons that are currently being taught in school. Press the wizard to go there:

🌍 If you still need to practise phases 3-5 phonics taught in YR1 please visit this letters and sounds website:
<https://lettersandsounds.org.uk/for-home/year-1>

25mins

Maths Challenge

Please press the acorn to go to The Oak National Academy online maths lessons on your theme of 'Faces, shapes and patterns: lines and turns'.

Please do **lesson 13** today:

	Give adult support
	Work independently

Play 'what shape am I?' Use your body to try and make a shape for your partner to guess. You can give clues e.g about edges, faces, right angles.

50mins

Challenge time and R-time:

45mins

I am an Scientist:

Freeze a small toy animals (or similar) in ice. Once frozen, conduct an experiment -which is the quickest way to release them? You could explore digging them out, warm/ cold water, salt as well as your own ideas.

Use R-Time manners to discuss your science experiment:

- Make predictions
- Decide how you will do it fairly as a team.
- Discuss the best ways to record what you found out and share it with your teacher through email.

Spellings Challenge

Set yourself daily spelling challenges to learn these words. You could turn it into game, e.g roll a dice or write numbers on small pieces of folded paper (to pick from) to see how many times to write each word.
