Hello children! We hope you are all well. All your daily home learning challenges and resources can be found on the school website: https://www.cavclosei.derby.sch.uk/?page_id=4520 The children in school are following the same plan so you will have all covered the same subjects.

Thank you for sending your work I enjoy reading them and looking at the photos. It gives us the opportunity to give helpful feedback just like we would do in school, as well as to of course to celebrate your achievements!

Don't forget everyone should be accessing the star home learning tasks but if you find it too challenging then have a go at the Earth tasks. We have also given a guide to how long each task should be taking.

Please send your work daily to: year2@cavclosei.derby.sch.uk
