Hello children! We hope you are managing to stay safe and well in these strange times. Your daily home learning challenges and resources can be found on the school website: [https://www.cavclosei.derby.sch.uk/?page\\_id=4520](https://www.cavclosei.derby.sch.uk/?page_id=4520)

We know you are all super star learners and can continue achieving through your home learning. You will notice that we have used earth and stars symbols in the home learning plans. If you need more support please access the Earth challenges 🌍, everyone should be reaching for the stars and attempting the star challenges ⭐. We have also identified how long each task will take which you can find in the circles.

Please send your work to: [year2@cavclosei.derby.sch.uk](mailto:year2@cavclosei.derby.sch.uk), we can't wait to see it. We will also be looking for children who have made an extra effort and showed determination just like Dexter. With your grownups permission we will celebrate your achievement and feature your work in the home learning planning from next week. Keep in touch and send your teacher daily emails of your work, to ask for support or just to say hello.
