Writing Challenge **Aim: Write for different purposes: Write a story.**

40mins

Starter activity: Think about where stories are set. Authors describe them in great detail to help the reader to imagine it. BBC Bitesize talks about 'Settings' here: <https://www.bbc.co.uk/bitesize/topics/zpccwmn/articles/z8mqsr>

Main: At the end of the week you will be writing a story about an animal that has been hibernating and wakes up.

Today we need to **plan** our story. Make decisions about different elements of your story:

- **Character:** Who is the main character? Choose one of the animals you learnt from the shared reading yesterday. What does it look like? What is his personality? How might he be feeling? Who else might he meet?
- **Setting:** Where is the setting? Where has the animal been hibernating? Is it day/ night?
- **Hibernation:** What do you know about hibernation? What happens?

Wordwise Wordwise wizards don't forget your daily dose of phonics. It's so important to practise every day as reading underpins learning in all subject areas.

You will find the new Wordwise loom videos on the school website. This covers the YR2 phase 6 phonics lessons that are currently being taught in school. Press the wizard to go there:

If you still need to practise phases 3-5 phonics taught in YR1 please visit this letters and sounds website:

Challenge time

30mins

I am an Artist and a Zoologist:

Can you split your paper into 4 sections and in each one sketch an animal pattern e.g. the stripes of a tiger.

R-time:

Talk about personal hygiene. What is your daily routine and why it's important to look after our bodies. You could make a leaflet to help others remember.

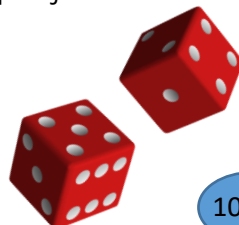

15mins

Spellings Challenge

Set yourself daily spelling challenges to learn these words. You could turn it into game, e.g roll a dice or write numbers on small pieces of folded paper (to pick from) to see how many times to write each word.
