 Best wishes Mrs Howett, Mrs Brown, Mrs Bonner and Mrs Bee

Talking

Talking and playing with your child is the best way for your child to learn
 Please find time to look at the website below for ideas and information on how you can help your child to learn.

Keeping safe, happy and healthy

Make time to be active every day!
 Today's Wake and Shake will help your child to 'cross their midline'. I have included a link for parents to understand what crossing the midline is and why it is so important.
 'Crossing the Midline' What it is and why do we need to it? <https://youtu.be/vXFudv93XEE>

Reading

Read and Share Books Every Day
 Enjoy watching Mrs Bonner read 'There's an Alien in Your Book!' by Tom Fletcher

Word Wise

We are learning Phase 1 Phonics using 'Letters and Sounds'
 Please see the activity sheet below to practice Alliteration

Please write your name every day.
 Look at how Jessica and Phoebe did their names last week!

Our Wonderful World

I am a Scientist!
 Make a bird feeder. There are lots of different bird feeders you can make. Callum threaded pieces of apple on a string to feed his birds!

Our Superstar Learner of the day!

Well done Esther for working so hard at home! You have shared lovely photos of your laying a maths game on your tablet and making shapes with the play dough you made!

Great job Esther!

Home Learning Challenge

Zoe the zookeeper wants to name some of her animals. She wants the names to begin with the same sound as the type of animal. So far, she has thought of Charlie the chimp and Tommy the tiger. Can you help her to think of names for her lion, snake and panda?

Charlotte the chef is making silly sound soups. Each soup needs three ingredients that begin with the same sound. She has made 't' soup with toffees, tomatoes and toast! Can you think of three foods that she can put in the 's' soup?

Go on a sound hunt. Look around at home or outside and find things beginning with the same sound. Can you find three things that begin with 't'? What other letters could you choose?
