Hi Year 2,

Thank you for your amazing letters. Some of you told me that my friends had migrated so I thought I might try that especially since it got so cold in England. I arrived in this very hot country after flying for an extremely long time, over many rivers, mountains, countries and oceans. I am in India! I have seen so many amazing sights like the shiny, white Taj Mahal and the deep, long River Ganges. I have smelt lots of incredible smells of delicious food. There is colour everywhere you go even on the trucks and the funny looking bikes called rickshaws. It is a feast for the senses! It is very different to Derby here, even the animals are different. Would you like to visit India? I hope to see you soon.

Love from Marty Magpie.
