Remember to  
warm up your  
fingers before  
writing.

Does it  
make sense?

Have you used a **Capital Letter** at the beginning of a sentence or for a name?

**Don't forget the finger spaces!**

Are all of your letters sitting on the line?

Have you ended with a full stop, exclamation or question mark?

I used these tips to write a super sentence!

The shop is shut!

Remember to write from left to right!
