New vocabulary we will need:

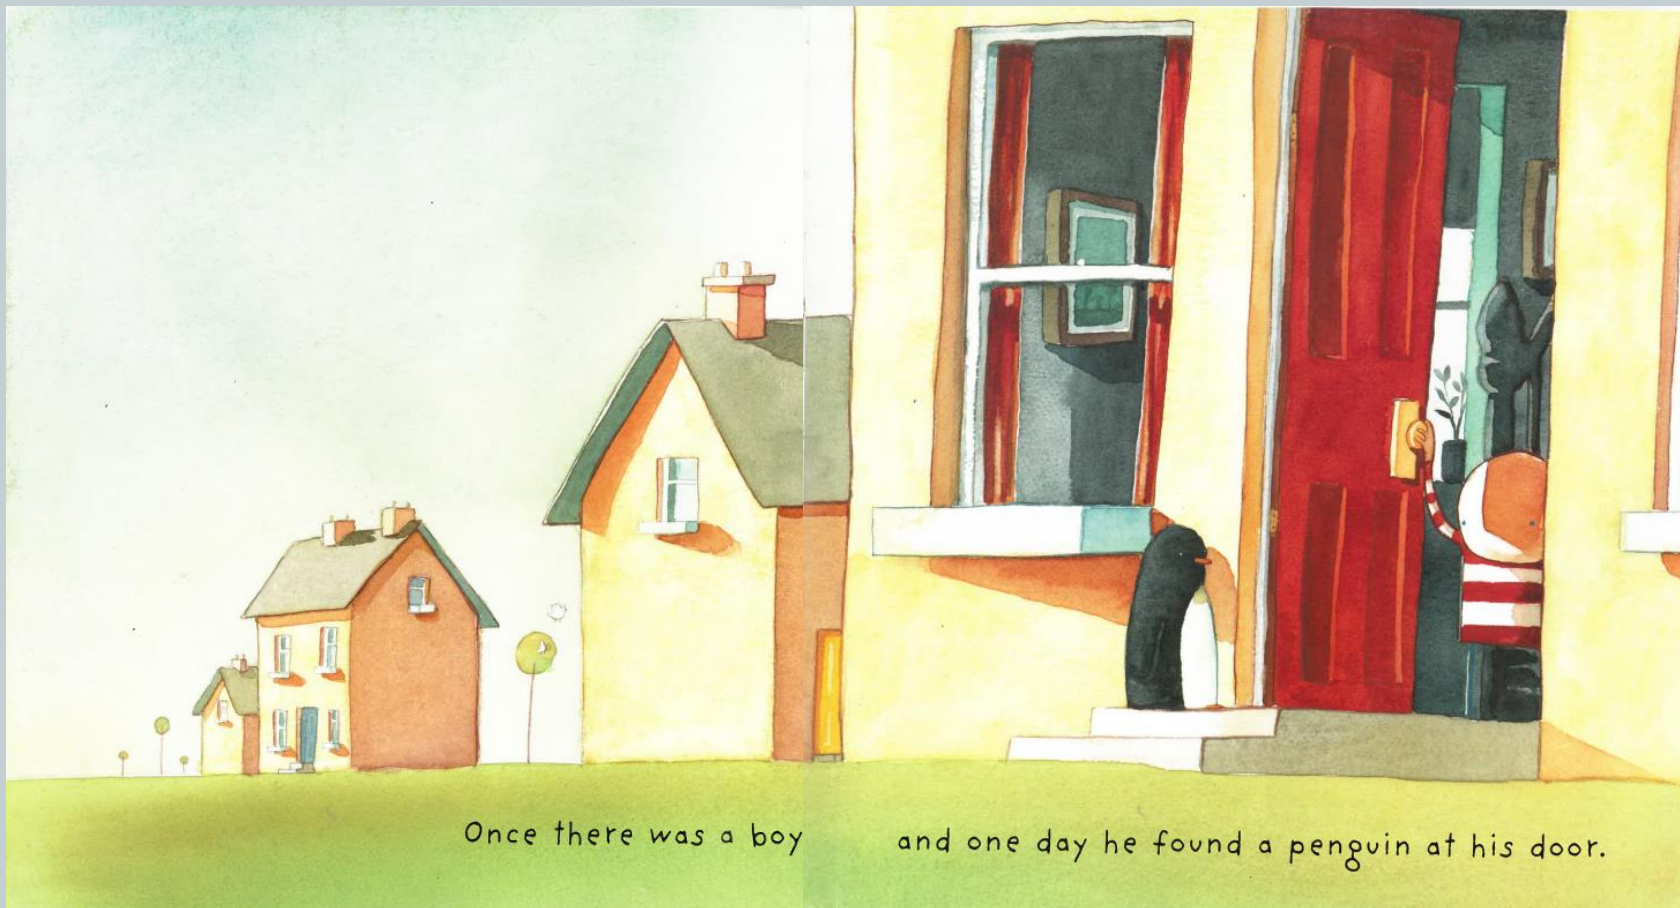

Penguin

Found

Lost

Missing

Once there was a boy and one day he found a penguin at his door.

Hint! A penguin has got feathers and a beak.

What kind of animal is a **penguin**?

How do you think the boy feels when he sees a penguin at his door?

The boy didn't know where it had come from

but it began to follow him everywhere.

What places do you think the penguin followed the boy?

The penguin looked sad and
the boy thought it must be lost.

What does 'lost' mean?

Have you ever lost anything?
How did it make you feel?

So the boy decided to help the penguin
find its way home.

He checked in the Lost and Found Office.
But no one was missing a penguin.

Where in the world do you think the penguin's **home** is?

Have you ever seen a penguin in England?
Where have you seen one?
