$10-6=$	$5+_=10$	$10-1=$	$4+_=10$	$10+0=$	$8+_=10$	$10-2=$	$+3=10$	$7+_=10$	$10-9=$

double 2	Half 10	$20-11=$	$10-4=$	double 5	Half 4	$12+_=20$	$+3=10$	$17+_=20$	$20-19=$

Grown ups- please can you print or copy onto paper/card then hide the number and letter cards.

Children-Complete the answers, and then go on a hunt around (hopefully outside) to find the 10 cards that have the matching numbers (1-10). Record the letter in the box to match the answer, if you were right you should spell out a phrase.
