How to make a paper lantern:

1. Cut off one end of the paper. Set aside to use as the handle.
2. Decorate the sheet using coloured pens, paint or glitter.
3. Fold your paper in half lengthwise along the dashed line.
4. Cut the marked lines along the sheet. (Do not cut to the edge of the paper).
5. Unfold the paper.
6. Match the long edges together on the lantern and use tape to hold it in place.
7. Staple the handle to the top of the lantern.

Why not try printing the template onto coloured paper?
