

Year 1 - Home Learning – Daily challenges 09.02.2021

Good Morning Everyone,

Today is **Safer Internet Day**. In a world where the internet is such an important tool to stay connected, we must also take the time to teach children how to use the internet safely. We have added some really useful links on to today's home learning along with maths and phonics too. Spend time today talking with your children sensitively about what they can do stay safe online.

You will find three power points to look at as well as a special message from Miss Luke on the Year One home learning page under 'Safer Internet Day Resources'
