Writing Challenge

Aim: To begin to write a letter to Joe to tell him 'How to look after his plants'. Have a look at the letter example on the next page. It will help you with setting out your letter. Talk to your grown up about the features of a letter. Have a look at some of the letters that might have come in the post recently. Can you identify any similarities/differences with the letter example on the next page? Now you know how to set a letter out...lets' get started! Today concentrate on writing;

- Your address
- The date
- Dear Joe
- The introduction to the letter (How are you? I hope that you are staying safe.)

Once you have completed this writing put it somewhere safe and we will finish our letter on Friday.

 Use your phonics to help with spellings.  I can use capital letters in the correct places.

Writing a Letter

There are some special rules you should follow when writing a letter.
Here is an example of how to write a letter.

The diagram shows a letter on a set of horizontal blue lines. A vertical red line is drawn on the left side. Callout boxes with lines pointing to specific parts of the letter are as follows:

- Date:** A pink box pointing to "8th June 2017".
- Address of the sender:** An orange box pointing to "99 Toytown Avenue, Arklow, Co. Wicklow, W45321 IRELAND".
- Dear _____, (the person/people you are sending the letter to):** A blue box pointing to "Dear John and Amy,".
- Your message:** A green box pointing to the main body of the letter: "I hope you are well. I am writing to say thank you for the lovely gift you sent me for my birthday. The coat is beautiful and I am wearing it a lot. Please come to visit again soon."
- Say goodbye:** A green box pointing to "Love from, Susie".

Label the parts of a tree. You can either print this sheet or draw your own tree.

Label the Parts of a Tree

Write these words in the right box: roots, branches, trunk, bark, crown, leaves.
