## Writing Challenge Aim: To write a nature walk narrative

40mins

**Starter activity:** Practise listening to sounds. Stand outside. Talk about what you can hear. Cars? Wind? Voices?

**Main:** Write a narrative of your nature walk. Using the photos, words, and sentence starters you have done this week write about what you see, feel, hear, smell or taste on your walk. This is non-fiction because it's not from imagination. Don't forget to describe things with expanded noun phrases. You can make your sentences have more information and be more interesting by using subordination.

For example: **Whilst I** was out walking on a **cold, January morning** I saw **towering, shadowy trees** **when** I followed a **twisty, gravel path**.

✓ Used **expanded noun phrases** to add description words? (underline them to check you have plenty)

✓ Used **sentence starter**

✓ Used **subordination**: e.g when, if, but, or, because. (underline them to check you have used different ones)

Don't forget to check out the 'YR 2 Work of the Week 26.2.21' on the school website ... it could be you!

**Wordwise** Wordwise wizards don't forget your daily dose of phonics. It's so important to practise every day as reading underpins learning in all subject areas.
