Writing Challenge Aim: Visually map out our final creative writing task set tomorrow.

40mins

Starter activity: Read all the information you have found out about India over the last few weeks. Marty the Magpie flew to India and was amazed with what he could see there. Make your own vocabulary map for flying. Write all the words you can think of to describe or are linked to 'flying'. E.g flew, soared, flapped, zoom..

Main: Draw a long path- this is Marty's journey -your story. Along the path draw or stick pictures, and add notes or words. **What will he see or do when in India?** Heres my story map as an example:

Marty leaves England and soars over Germany, and Iran.

Flaps into Asia and India exhausted

He tries to keep up with a sleek, spotted cheetah

He rests on a tree and is shocked to spot a camouflaged, green python

The python turns out to be friendly and takes him to see Taj Mahal and eat colourful, spicy Indian food.

Wordwise

 Wordwise wizards don't forget your daily dose of phonics. It's so important to practise every day as reading underpins learning in all subject areas.

★ You will find the new Wordwise loom videos on the school website. This covers the YR2 phase 6 phonics lessons that are currently being taught in school. Press the penguin wizard to go there:
