

Good Morning Class 7,

We hope you are well. Sadly our bubble is closed for now as we wait for confirmation but everyone is well and we hope to see you all soon. We will be busy at home sending you lots of nice activities to keep you busy and learning. You will find this week's work already on the school website and I will get your homework up ready for tomorrow. Next week you will find new challenges each day to do at home just as if we were at school.

You all have your reading books so keep practising every day and share any good work with us on the email.

Year2@cavclosei.derby.sch.uk

We hope you are very good for your grown-ups at home and keep safe inside.

Take care,

Best wishes

Mrs Merriman, Mrs Mills and Miss Richardson
