

Nursery - Home Learning Week beginning 29.03.21

Dear Parents and Carers,
We are mixing colours again this week and focussing on all the colours of the rainbow! We would welcome you to continue share your child's success as home by emailing nursery@cavclosei.derby.sch.uk

Have a wonderful Easter! Spend time enjoying the outdoors and spotting signs of Spring.

Talking

Talking and playing with your child is the best way for your child to learn

Please look at www.hanen.org/Helpful-Info/Parent-Tips for parent tips on how to help your child to develop language.

Take time, wait after asking a question or giving a direction

Keeping safe, happy and healthy

Enjoy being outside whatever the weather!

Encourage your child to manage their own coat, gloves, hat and wellies

Remember to register for Beat The Street game and start earning points for school!

Reading

Read and Share Books Every Day

Read together the books you have at home, turn pages carefully, talk about the pictures and ask your child to guess what might happen in the story.

Easter is a Christian Festival. Listen to the story of the First Easter here;

Word Wise

We are learning Phase 1 Phonics using 'Letters and Sounds'

Make a 'family tree' by decorating an egg for each family member and writing their name on it. Hang each egg on a branch. Take time talking about the names of each family member. Clap the name of each person/pet, talk about the beginning phoneme (sound). Make nonsense rhymes using names.

Can you

practise careful colouring? See the Easter Bunny writing sheet below.

Write your name carefully in the Easter card you make.

Maths

Log on to Education City and play some number games.
