

# Year 1 – Home Learning - Week beginning 03.05.21

Dear Children,

We are sorry that you aren't able to be in school at the moment, but we hope you and your families are staying safe and well. Here you will find a plan for your home learning. To help you support your learning, we have set enough tasks to be completed in **one week**. This reflects the learning that is continuing to take place in school. This week is a very busy week in school! It is sun safety week and also maths day on Friday! Have a go at all of the activities...keep smiling!

Please contact us via email at [year1@cavclosei.derby.sch.uk](mailto:year1@cavclosei.derby.sch.uk) if you have any questions and to share photos of your child's learning.

Best wishes, from Year 1 Team.

Keeping safe, happy and healthy

## PE

Don't forget to stay healthy by being active.

- Do some Yoga and stay mindful. <https://www.youtube.com/watch?v=40SZl84Lr7A>

## R Time

### Be like Flexible Flo

Think of good ideas and think of **different** ways to do things!

Go on – You **CAN** do it!!

## Wellbeing

We all have to look after ourselves, not just because of the current situation but all the time. Care for your body AND your mind. Look at the poster for more information here: Mental Health and Wellbeing Support for all the Family - <https://www.cavclosei.derby.sch.uk/wp-content/uploads/2020/05/Mental-Health-and-Wellbeing-Poster.pdf>

I am a Speaker

Talking is so important. It can help in all areas of our learning.

Please visit National Literacy Trust 'Words for Life' for more information and ideas:

<https://wordsforlife.org.uk/>

- Have a look around your house can you find every colour in the rainbow? How does each colour make you feel?

I am a Reader  
**Read every day!**

Reading every day is the key to success.

If you have your school reading books with you please practise reading them. Don't forget reading them more than once helps confidence and reading for fluency.

Your child has been given their own password and login for Big Cat Collins ebooks just like we have in school. Please login to the catalogue and enjoy reading the books your teachers have put on there for you.

Be a Phonics Superstar!  
Your weekly Wordwise lesson can be found at this link:

Please note, all the resources you need for WordWise, such as grapheme charts, can be found on our website.

**I am a Writer**

This week we are continuing to look at the book 'Welcome to Alien School' Click this picture to the school website to listen to the story. Focus on the part of the story where the aliens and Albie are in the canteen!

- Can you make a menu for Alien school? Don't forget to use adjectives! (describing words)

E.g.  
Slimy pizza  
Bouncing beans  
Glowing soup

- Using the attached speech bubbles, can you write what Albie and Nogel would say when they are in the canteen?

E.g. Albie - 'Euuggghhh, what's that? That looks gross. Can I have some chips instead please?'

Nogel - 'This is Alien food. It's yummy, you should try it.'

**Reach for the stars** – Write a story about what happened in the canteen!

- Design a sun safety poster! (See the challenge below)
- For shared reading this week we are reading a poem from the book 'A message from the moon'– click on the link below.

### Challenge Time

#### I am a Designer:

Design a space vehicle using objects you have at home!

#### I am a Musician:

Explore making alien sounds with voice and objects you can find around your home!

#### I am a Scientist:

ReachOut Reporter. Follow this link to watch the report.

<https://www.reachoutreporter.com/>

Use these words to help your child develop a positive attitude to learning;

Determined

Keep trying

Reach for the stars

Can you think of another way?

## Sun Safety Poster Design Challenge

There is nothing better than a lovely, warm sunny day spent playing outside but it is important to remember that too much sun can be dangerous. Rays from the sun can cause damage to our skin and eyes and can even give us a sore head and make us feel sick (this is called heat exhaustion). We have to look after ourselves when the sun is out and take some precautions that will help us stay safe and healthy.

Can you design a poster encouraging everyone in your school to stay safe in the sun?

#### Things to include:

- Cover up by wearing a T-shirt
- Wear sunscreen
- Wear sunglasses
- Stay in the shade
- Wear a hat to protect your head, ears, neck and scalp
- Drink lots of water

Your poster should be bright and colourful so that it stands out. Include keywords, drawings and phrases to help get your message across.

- I can present my writing in a way that will make it legible and attractive for my reader, combining words, images and other features. LIT 1-24a
- I can convey information, describe events or processes, share my opinions or persuade my reader in different ways. LIT 1-28a / LIT 1-29a

# Marvellous Maths Day!

Wear your favourite number! It could be a football shirt or a birthday badge. You could make something to wear with your favourite number on!

Use the number you are wearing to make some number sentences!

Make a 'shop' with the things you have at home. Make signs with different amounts of money on e.g. 25p, 18p, 32p.

See if you can make the various amounts using different coins!

Make a list of jobs that adults do that would need marvellous maths skills.

e.g. A doctor would need good maths skills because they need to measure out medicine.

A shopkeeper would need good maths skills because they need to count the money.
