

Year 1 – Home Learning - Week beginning 09.06.21

Dear Children,

We are sorry that you aren't able to be in school at the moment, but we hope you and your families are staying safe and well. Here you will find a plan for your home learning. To help you support your learning, we have set enough tasks to be completed in **one week**. This reflects the learning that is continuing to take place in school.

Please contact us via email at year1@cavclosei.derby.sch.uk if you have any questions and to share photos of your child's learning.

Best wishes, from Year 1 Team.

I am a Writer

This week we are learning all about castles! After reading our 'shared reading' powerpoint, could you draw a castle and label it?

e.g. Turret.

Use the 'photos of a castle' in the home learning folder to help you!

Then can you write a sentence about what the parts of a castle were used for?

E.g. **Did you know that** castle walls were made really thick so that weapons couldn't destroy them?

Try to write two sentences a day!

 **Reach for the stars** – Think of a different, more exciting way to start your sentence.

- Shared reading – '**Parts of a Castle**' Find the shared reading on the Year 1 home learning page.

- Handwriting this week, we are focusing on the letters below. Click on the link to warm your fingers up, ready to do your best handwriting.

Start at the top, go down and up but not too far. Then draw a small curl at the top to make your perfect r!

Go straight down and halfway up again neatly. Then all the way around and join to the bottom to make a b!

Start with a c then climb a tree. Come back down and you have a d!

Start at the top, go down under the line and then back neatly. Then draw a curve that joins onto your line to make a p!

I am a Mathematician
