

Year 1 – Home Learning - Week beginning 10.05.21

Dear Children,

We are sorry that you aren't able to be in school at the moment, but we hope you and your families are staying safe and well. Here you will find a plan for your home learning. To help you support your learning, we have set enough tasks to be completed in **one week**. This reflects the learning that is continuing to take place in school.

Please contact us via email at year1@cavclosei.derby.sch.uk if you have any questions and to share photos of your child's learning.

Best wishes, from Year 1 Team.

Keeping safe, happy and healthy

Wellbeing

We all have to look after ourselves, not just because of the current situation but all the time. Care for your body AND your mind. Talking is so important. It can help in all areas of our learning.

- Have a look around your house can you find every colour in the rainbow? How does each colour make you feel?

I am a Reader

Reading every day is the key to success.

If you have your school reading books with you please practise reading them. Don't forget reading them more than once helps confidence and reading for fluency.

Your child has been given their own password and login for Big Cat Collins ebooks just like we have in school. Please login to the catalogue and enjoy reading the books your teachers have put on there for you.

I am a Writer

This week we are going re-read the story 'Welcome to Alien School' and retell the story by writing it!

Listen to the story at this link – <https://www.youtube.com/watch?v=qJqNAy7wZJE>

- Act out the whole story with your grown up – what would the characters say?
- Write the story using sentences as if you are Albie!

E.g. I went to alien school in a rocket.

There was an alien called Nogel and a teacher called Mr Kark.

We did some tricky sums and I had to think hard!

I ate space-ghetti in the canteen.

After lunch I painted a T-Rex it came to life!

- Then can you innovate the story and think of a different ending!
Use the sentence starter... 'At the end of the day...'

★ **Reach for the stars** – Use a different sentence starter for each of your sentences!

- Shared reading - 'Message from the Moon' . Click on the link below.

- Handwriting this week, we are focusing on the letters below. Click on the link to warm your fingers up, ready to do your best handwriting.

m n r h

Start at the top, down, up, over and down again. Up and over and down once more to finish your m!

Start at the top, go down then up and then... Go over and down to the bottom and there you have an n!

Start at the top, go down and up but not too far. Then draw a small curl at the top to make your perfect r!

Start at the top, go straight down and back halfway. Then over a hump and down to the line to make an h!

I am a Mathematician
