

# Nursery - Home Learning Week beginning 24.5.21

Our caterpillars have changed! They have turned into pupa and made a chrysalis. We are very excited to see what comes out this week!

This week we will continue to learn about fruit and vegetables. We will know that we each day we need to eat foods of every colour so that we are healthy.

### Talking

**Talking and playing with your child is the best way for your child to learn**

Please find time to look at the website below for ideas and information on how you can help your child to learn. Small Talk - <https://small-talk.org.uk/>

Expand your child's vocabulary by introducing a new word to a daily routine

### Keeping safe, happy and healthy

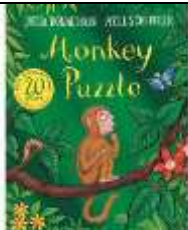

**Remember to keep walking for Beat The Street game and keep earning points for school!**

Join in with Jack Hartman Workout and Count to 20

### Reading

### Read and Share Books Every Day

Log onto Big Cat Collins

Listen to the story of 'The Cautious Caterpillar'

<https://youtu.be/EOP00QcPxbk>

and 'Monkey Puzzle' by Julia Donaldson

### Word Wise

We are learning Phase 1 Phonics using 'Letters and Sounds' and focussing on listening and enjoying rhymes. We will be enjoying sharing songs about our butterflies this week.

Please find a copy of all our songs below.

Enjoy sharing them and listening out for rhyming words.

Can you draw 5 different coloured fruit and vegetables that you enjoy eating?

### Maths

**Log on to Education City** and play some number games.

Practice counting objects every day.

Practice reciting numbers in order to 10 and beyond!

### Our Wonderful World

#### I am a Scientist

Use the poster below to talk about the life cycle of a butterfly. Can you be very clever and use correct scientific vocabulary?

#### I am a historian

Talk with members of your family about how you have changed. Share photos of when you were a baby. Compare how you look now and how you have changed. Make a time line using 4 photos from when you were born, at 1 year old, 2 years old and 3 years old.

We would welcome you to continue share your child's success as home by emailing [nursery@cavclosei.derby.sch.uk](mailto:nursery@cavclosei.derby.sch.uk)

# 1 Butterfly Went Out to Play

*(Sing to the tune of '1 Elephant Went Out to Play')*

1 butterfly went out to play,  
Upon a hot and sunny day.  
He had such enormous fun,  
That he called for another butterfly to come.

2 butterflies went out to play,  
Upon a hot and sunny day.  
They had such enormous fun,  
That he called for another butterfly to come.

3 butterflies went out to play,  
Upon a hot and sunny day.  
They had such enormous fun,  
That he called for another butterfly to come.

# 5 Butterflies Song

*(Sing to the tune of '5 Little Ducks'.)*

5 butterflies sipping nectar one day,  
From flowers, in the month of May.

1 butterfly said, "drink no more."  
She flew off and that left 4.

4 butterflies sipping nectar one day,  
From flowers, in the month of May.

1 butterfly said, "I'm off to a tree."  
She flew off and that left 3.

3 butterflies sipping nectar one day,  
From flowers, in the month of May.

1 butterfly said, "that will do."  
She flew off and that left 2.

2 butterflies sipping nectar one day,  
From flowers, in the month of May.

1 butterfly said, "I am done."  
She flew off and that left 1.

1 butterfly sipping nectar one day,  
From flowers, in the month of May.

That butterfly said, "this was fun."  
She flew off and that left none.

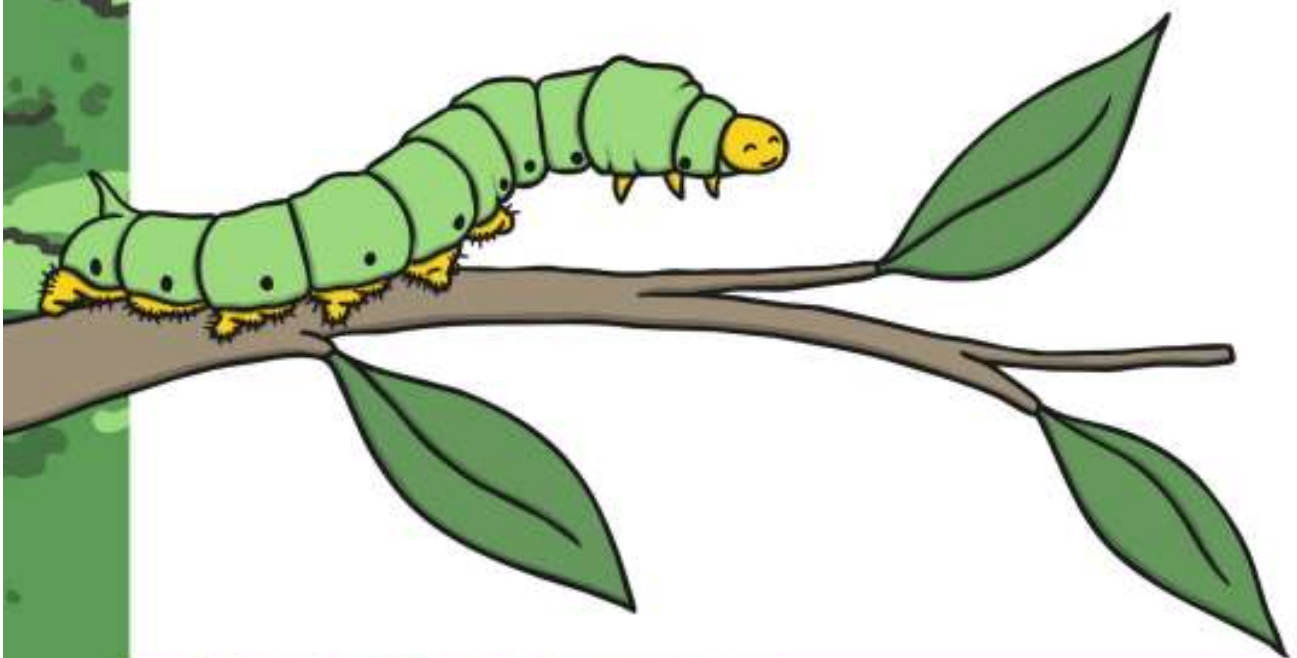

# This Old Egg

*(Sing to the tune of 'This Old Man'.)*

This old egg, he hatched out,  
He is what this song's about.  
With a wig, wig, wiggle and a munch, munch, munch,  
The caterpillar ate his lunch.

This caterpillar, he grew fast,  
It was time to rest at last.  
With a wig, wig, wiggle and a zoom, zoom, zoom,  
He found himself in a cocoon.

There he stayed, changing form,  
Till the day was nice and warm.  
With a wig, wig, wiggle and bite, bite, bite,  
The butterfly took his first flight.

## Tiny Caterpillar on a Leaf Song

There's a tiny caterpillar on a leaf, wriggle wriggle, x2  
There's a tiny caterpillar, tiny caterpillar, tiny caterpillar on a leaf  
wriggle wriggle.

He will eat the leaves around him till he's full, munch munch, x2  
He will eat the leaves around him, eat the leaves around him, eat  
the leaves around him till he's full munch munch.

A cocoon he is spinning for his bed, spin spin, x2  
A cocoon he is spinning, cocoon he is spinning, cocoon hes spinning  
for his bed, spin spin.

Then he'll be a butterfly and fly away flap flap, x2  
Then he'll be a butterfly, be a butterfly, be a butterfly and fly  
away, flap flap.

# Life Cycle of a Butterfly

## Egg

Eggs are laid by the female insect.

1

## Larva

Egg hatches into a larva. This varies depending on species. Common forms are caterpillars, maggots, grubs.

2

3

## Pupa

The pupa is usually where a hard case is formed around the larva...

4

## Adult

...and it metamorphoses (changes) into the adult.

5

## Adult

The adult breaks out of the pupa, matures, and lays eggs.

## Other insects that complete metamorphosis

### fly

### beetle

### ladybird
