

22nd July 2021

Dear Nursery children and parents,

We hope you have a wonderful summer break! Here are some ideas to keep you busy...

We hope you love the new book we have given you. Please find time to share books every day! Mrs Bee loves sharing books with her daughter in the garden.

Mrs Howett has given you a special homework pack so you can practice your phonemes (sounds) and graphemes (letters). Remember to write your name everyday too, using your name card to help you.

Please make choices to keep yourselves safe. Mrs Brown is a Sun Safe Superstar! Remember to wear sun cream, a hat and to find shade and a drink if you get too hot.

Mrs Bonner loves to play alongside her daughter, talking, singing nursery rhymes and Disney songs together. Enjoy singing all the songs you have learnt in nursery.

Mrs Roberts will enjoy being busy with her grandsons. Can you make a picture or a model of the animal to match the class you will be in next year? Curious Caterpillars, Bold Butterflies, Sociable Squirrels or Happy Hedgehogs. Bring it with you to your class in September.

Mrs Birkinshaw loves to use her counting and measuring skills to bake! Keep counting when you are playing and remember to talk together about the things you see and enjoy doing together.

We wish you a wonderful summer break!

Best wishes from Mrs Howett, Mrs Brown,  
Mrs Bonner, Mrs Bee, Mrs Roberts and  
Mrs Birkinshaw
