

Attendance update Autumn Term

Contact Mrs Asghar or Mrs Leadbeater for any enquiries.

High attendance is important in giving children the best chance of being successful at school.

Children have already missed so much of their education, **so please avoid booking term time holidays.** These **cannot** be authorised and Derby City Council are likely to issue fines.

Our whole school attendance 2020/2021 was 96%. Well done to the children that helped us to achieve.

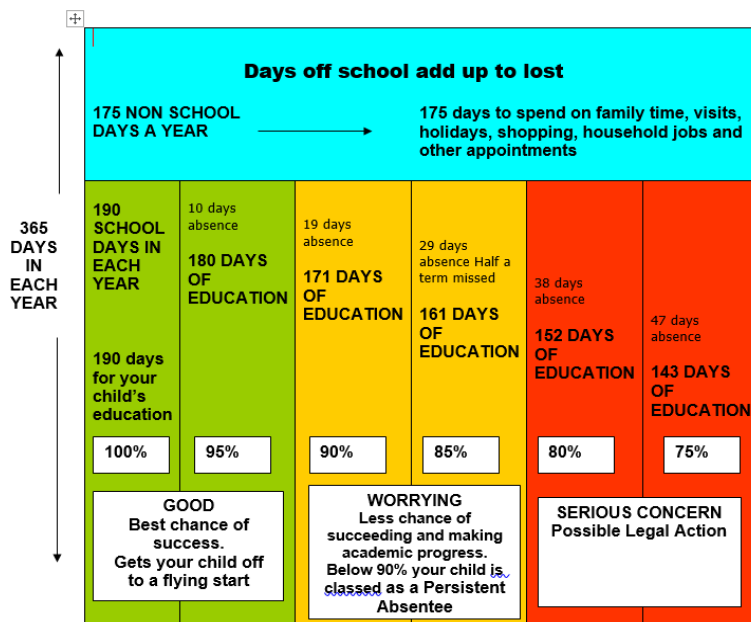

Children with attendance that is above 96% are able to develop:

- ✓ High levels of achievement in their work
- ✓ Better social skills
- ✓ Better friendships

Please remember to be an attendance **HERO!**

High attendance is important throughout the year when valuable teaching and group work is taking place and cannot be repeated.

Taking days off school has a negative impact on your child welfare.

Please make medical appointments outside of the school day where possible, or **during holidays**. Try not to take your child out of school, as they will miss out on being:

Super Star Learners

Help your child to be an Attendance HERO!

We are Attendance HEROs (Here Every day Ready On time).

PUNCTUALITY

We will be monitoring your child's attendance **DAILY**
Please **BE ON TIME!**

Termly Special certificates are given to children with attendance at and above 98%.
Children who achieve 98% attendance for a whole year will be awarded with a special treat.
