

Autumn Term 2 2021 Key Stage 1 Club Offer

Dear parents and carers,

After 19 months, we are going to rebuild our after school club offer to support children's broader development beyond the school day. Our clubs will operate in line with our COVID safety measures.

Some of the clubs on offer will be led by external providers and some of the clubs on offer will be led by school staff.

We are starting by offering clubs to our Key Stage 1 (Years 1 and 2) children. In the Spring term, we hope to be able to broaden our offer to enable Reception children to join clubs.

Our club offer is open to all children and we are hoping to encourage and inspire children to discover and develop talents and interests. We would like to kindly ask that parents and carers of children with additional needs talk to their child's class teacher about club interests before requesting or booking places.

We are able to offer a limited number of funded club places to children who are eligible for benefits related free school meals. Class teachers will approach parents discreetly to offer places to children who show interest in particular clubs.

Clubs led by external providers will start the first week back after half term. Places can be booked directly with the external providers by following the instructions on the letters/flyers.

Clubs led by school staff will start the second or third week back after half term. To request places, complete the request form and return to school by Friday 22nd October. Places will be allocated and payments expected during the week beginning 1st November.

Kind regards,

Mrs C Diffin
Headteacher
