

Reception Home Learning – Autumn 2 2021

Dear Parents and Carers,

We are sorry that we will not see you this week, but we hope you and your families are staying safe and well. Here you will find a plan for your home learning. We hope you find this home learning useful to share time together and understand what we will be learning at school this week. Please support your child to learn at home if they are absent from school. Please share your child's success at home by emailing reception@cavclosei.derby.sch.uk.

 <p>Keeping safe, happy and healthy</p>	<p>Help your family to talk about their thoughts and feelings. Access the Mental Health and Wellbeing Poster on the school website or click the link; https://www.cavclosei.derby.sch.uk/wp-content/uploads/2021/01/Mental-Health-and-Wellbeing-Poster.pdf</p>	<p>Make time to be active every day! Join in with 'Cosmic Kids' and get your body moving in a different way. It is an exercise called Yoga. Can you have a dance party? https://youtube.com/watch?v=23VdtTOvQUY</p>	<p>Exercise Challenge! Can you create your own active workout? At school we have been learning how to move our bodies in different ways. Choose 5 movements and teach them to your family. Have fun!</p>
 <p>I am a Speaker</p>	<p>Talking and playing with your child is the best way for your child to learn Please look at the website below for ideas and information on how you can help your child to learn. Tiny Happy People – https://www.bbc.co.uk/tiny-happy-people</p>		
 <p>I am a Reader Read every day!</p>	<p>We are learning all about 'light and dark' this half term. Listen to 'Night Monkey Day Monkey' being read to you by following this link. https://www.youtube.com/watch?v=ICxL009pua0 Can you talk about the events in the story with your grown up? Why is the Night monkey sleeping? What is the Day monkey looking at? How are the monkeys the same? How are they different? Have a go at reading some of your reading books using your Collins Ebook login. Remember to share bedtime stories every day! Children have their own login to Collins Ebooks.</p>		
 <p>I am Word Wise</p>	<p>Practise your listening, blending and segmenting skills with Felix and Maddie by following this link. Phase 1 Phonics with Maddison and Felix - Oral Blending - YouTube We have been learning the phase 2 phonemes s,a,t,p,i,n,m,d,g,o,c,k,e,u,r,h,b,l,f Can you look for the graphemes we have been learning in your books at home?</p>		
 <p>I am a Writer</p>	<p>Practise writing your name every day. Use the link to the letter formation poster on the school website: https://www.cavclosei.derby.sch.uk/wp-content/uploads/2020/05/Letter-formation-sheet.pdf Can you have a go at segmenting and writing these words- sit, mat, tap, fin, big, pot, net, dig, hut.</p>		
 <p>I am a Mathematician</p>	<p>We have been learning about 2D and 3D shapes. Have a go at completing the following challenges.</p> <ul style="list-style-type: none"> • When you are having a family meal at the table, count how many different 2D shapes you can find. What shapes are on your plate, glass and tablemat? You could ask your family to help you name and find as many as you can. • What places, animals or objects can you draw using only 2D shapes? Can you make a rocket using rectangles, squares, triangles and circles? • Play 'guess the shape' with your family. Describe a shape by saying how many sides, corners it has etc it has and see who can guess correctly. • Look at some empty packages and boxes. What shape are they? Can you find a cube, cylinder, cuboid or cone shape? Can you use them to make a model of a monster, house, car or robot? • Go on a 3D shape hunt around your house. What 3D shapes can you find? See if you can find a sphere, a cube, a cuboid and a cylinder. 		

Challenge Time

I am an Artist **BE CREATIVE!**

Using resources from home create or draw a night themed picture.
You could use wax crayons and some watery black paint over the top. Your drawing should then shine out of the darkness.

I am a Scientist

Find a torch and shine it against a wall.
What shapes can you make using your hands and fingers?
Put your toys in front of the torch.
If you move the toy nearer the toy does it make the shadow bigger or smaller? Now, move it away. What happens?

Build a dark den with cushions, blankets and chairs. Make it so that you can't see any light. Bring torches into it and look at books using the torches.

Can you make funny faces by shining the torches on your face?

Use these words to help your child develop a positive attitude to learning;

Determined

Keep trying

Reach for the stars

Can you think of another way?
