

Year 1 – Home Learning – Spring Term 2

Dear Children,

We are sorry that you aren't able to be in school at the moment, but we hope you and your families are staying safe and well. Here you will find a plan for your home learning. To help you support your learning, we have set enough tasks to be completed in **one week**. This reflects the learning that is continuing to take place in school.

Please contact us via email at year1@cavclosei.derby.sch.uk if you have any questions and to share photos of your child's learning.

Best wishes, from Year 1 Team.

Keeping safe,
happy and
healthy

PE

Don't forget to stay healthy by being active!

In P.E this half term, we are focusing on ball skills. Using a small ball, see if you can complete the following challenges. Try not to drop the ball!

- > I can sit and roll a ball along the floor around my body using 2 hands.
- > I can sit and roll a ball along the floor around my body using 1 hand (right and left).
- > I can sit and roll a ball down to my toes and back up, then around my upper body using 2 hands.
- > I can stand and roll a ball down to my toes and back up, then round my upper body using 2 hands.

R Time

Be like Flexible Flo

Think of good ideas and think of **different** ways to do things!

Go on – You **CAN** do it!!

Use your R-Time manners to draw a flower with your grown up, make sure to take turns and share!
Remember to do an EQUAL amount.

Wellbeing

We all have to look after ourselves, not just because of the current situation but all the time. Care for your body AND your mind. Take some quiet time to think about the things that make you happy. What are you looking forward to? Mrs Merriman is looking forward to the summer when she can spend more time in her garden.

I am a Speaker

Talking is so important. It can help in all areas of our learning.

Please visit National Literacy Trust 'Words for Life' for more information and ideas: <https://wordsforlife.org.uk/>

- Can you go outside and have a look around? What do you notice? Can you see any flowers? Talk to your grown-up about what you can see.
- What signs of spring can you see as you look out of your window?

I am a Reader

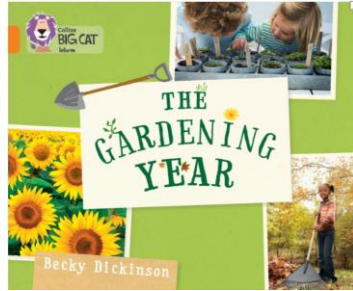

Read every day!

Reading every day is the key to success.

If you have your school reading books with you please practise reading them. Don't forget reading them more than once helps confidence and reading for fluency.

Your child has been given their own password and login for Big Cat Collins ebooks just like we have in school. Please login to the catalogue and enjoy reading the books your teachers have put on there for you.

Follow the link to our book on Collins e book- 'A year in our garden' to read together, can you find the topic words in the glossary?

I am Word Wise

Be a Phonics Superstar!

We have learnt all the phase 5 sounds now so lots of practise reading these sounds in words is essential. Use phonics play and education city to practise blending the sounds in words.

These games are free to access from home on 'Phonics Play'. Click on the pictures to go the website. Have a go at playing these games, choose phase 5 and select the graphemes above to practise blending.

Please note, all the resources you need for wordwise, such as grapheme charts, can be found on our website.

I am a Writer

- This term we are looking at capital letters can you find the capital letters in your reading books and copy them onto paper... Can you sit them on the line and make them nice and tall?

Our Topic is 'How does your garden grow?'

- In school we are learning about flowers, follow the link to the video. Discuss what you have learned and then draw a flower. Can you label the roots, stem, leaves and petals.
https://www.youtube.com/watch?v=ql6OL7_qFgU
- You are going to be a detective! Go on a walk in your garden, what can you see, hear, smell and feel? Make a word bank for everything you can sense.
- Look back at your labelled flower and your word bank. Can you write 3 sentences describing the parts of the plant?

Reach for the stars and use adjectives. An adjective is a word that we can use to help us describe things. e.g. The petals are **bright yellow** and smell **fresh**. The leaves feel like **soft** velvet. The stem is **long** and **thin**.

I am a
Mathematician

Please follow these links to go to our Maths lessons on the theme of 'Length and Mass'. You should aim to watch one a day:

Click on the books above to answer some questions about each of the areas we are learning about this term. You can either print them out or write the answers on some paper or in your homework book.

Challenge Time

- **I am a Musician:** Follow the link to watch Miss Doxey's lesson on 'The Four Seasons' (Spring) by Vivaldi. https://www.youtube.com/watch?v=9zU_ce8_Ezc&feature=youtu.be
Have a go at creating your own piece of music about Spring using things around your house to represent different things e.g. birds, flowers.
- **I am a Scientist:**
ReachOut Reporter. Follow this link to watch the report.
[Twig Science Reporter https://www.twigsciencereporter.com/](https://www.twigsciencereporter.com/)
Talk about what you have seen. Which report was your favourite? Why?
- **I am a Scientist:** Can you plant your own sunflower seed? Look at some flowers outside, what do you notice?
- **I am a Designer:** using lots of things around your house e.g. boxes can you make a garden shed?
- **I am an Artist:** Can you find out which are the primary colours and what happens when you mix them together. Can you use your colours to paint a garden?

Use these words to help your child develop a positive attitude to learning;

Determined

Keep trying

Reach for the stars

Can you think of another way?
