## Summer Term 2022 After School Curriculum Club Offer

Tuesday 3<sup>rd</sup> May 2022

Dear parents and carers,

We are continuing to rebuild our after school curriculum club offer to support children's broader development beyond the school day.

Some of the clubs on offer are led by external providers and some of the clubs on offer are led by school staff.

This term, we will continue to offer clubs to our Key Stage 1 (Years 1 and 2) children. We are also in the position to be able to broaden our offer to enable Reception children to join our clubs for the first time this year.

Our club offer is open to all Reception, Year 1 and Year 2 children and we are hoping to encourage and inspire children to discover and develop their talents and interests. We would like to kindly ask that parents and carers of children with additional needs talk to their child's class teacher about club interests before requesting or booking places.

We are able to offer a limited number of funded club places to children who are eligible for benefits related free school meals. Class teachers will approach parents discreetly to offer places to children who show interest in particular clubs.

Clubs led by external providers have already restarted, however it is still possible to join these clubs. Places can be booked directly with the external providers by following the instructions on the letters/flyers. Rock Steady Club and Jumping Clay Club restarted last week. The Elite Football Development (EFD) Sport Clubs will restart this week.

Clubs led by school staff will start during the week beginning Monday 9<sup>th</sup> May and run all the way through to July. To request places, complete the request form and return to school by Thursday 5<sup>th</sup> May. Places will be allocated and payments expected during the week beginning Monday 9<sup>th</sup> May. You will know if your child has been allocated a club place on Monday 9<sup>th</sup> May.

We have a limited number of parking spaces on site. Please park safely out in the community and walk on site if you can. **The speed limit on site is 5 miles per hour.** This speed limit must be observed by all parents and carers who wish to drive on site. When coming down the drive, it is impossible to see to the left and right and so it is essential that cars approach school very slowly. Please do not drive or park on our grassed areas or pavements. Please do not block the roundabout.

Please allow sufficient time to drive and park safely before collecting your child from an after school curriculum club. Mr Roberts is our Site Manager and he will be supporting our driving and parking expectations. Please be considerate and patient.

Kind regards,

*Mrs C Diffin*

Headteacher

*Mrs A Orme*

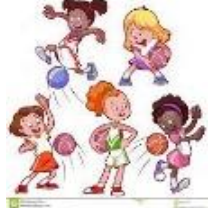

Personal Development Leader

## Clubs led by external providers, supported by school staff

These clubs are open to Year 1 and Year 2 children

Two of these clubs are now open to Reception children as well

Places are available and will be filled on a first come, first served basis. Parents and carers need to follow the instructions on the letter/flyer from the external providers to secure places.
