

Summer Term 2023 After School Curriculum Club Offer

Friday 24th March 2023

Dear parents and carers,

Our curriculum club offer is to support children's broader development beyond the school day.

Some of the clubs on offer are led by external providers and some of the clubs on offer are led by school staff.

This term, we will offer a broad range of clubs to our Key Stage 1 (Years 1 and 2) children and our Reception children.

We are hoping to encourage and inspire children to discover and develop their talents and interests. We would like to kindly ask that parents and carers of children with additional needs talk to their child's class teacher about club interests before requesting or booking places. This is so that we can enable all children to be happy and succeed with the necessary level of support.

Clubs led by external providers are to be booked directly with the external providers by following the instructions on the linked letters/flyers.

Rocky Steady Club is an ongoing club with a monthly charge. Jumping Clay Club is a half-termly club and will run until half term before parents and carers can book again for the second half of the summer term. Elite Football Development (EFD) Multi Sports Club is a termly club and will run until the summer holidays. Our external provider led clubs run all year round. Last year they were thoroughly enjoyed by the children who attended. It was amazing to see children develop and succeed. We value our partnerships with our external provider led clubs.

School led clubs are termly clubs and will run until the summer holiday when a new autumn term club offer will be shared. School led clubs are subsidised by the school. There is a small standard charge of £1.50 a week to contribute towards the staffing costs. For Art Club, there is an enhanced charge of £2.00 a week to contribute towards the staffing costs and the cost of resources. Payments should be made between Thursday 30th March and Wednesday 5th April via Parent Pay. To secure a club place, it is necessary to pay for the block of weeks, irrespective of children's attendance.

We are able to offer a limited number of school funded club places to children who are eligible for benefits related free school meals. Class teachers will approach parents discreetly to offer places to eligible children who show interest in particular clubs. It's important that our enrichment opportunities are fully inclusive.

To request places, complete the request form and return to school by Monday 27th March. You will know if your child has been allocated a club place on Wednesday 29th March. Payments will be expected by 12 noon on Wednesday 5th April via Parent Pay.

Please park safely out in the community and walk on site if you can. We have a limited number of parking spaces on site. The **speed limit on site is 5 miles per hour**. This speed limit must be observed by all parents and carers who wish to drive on site. When coming down the drive, it is impossible to see to the left and right and so it is essential that cars approach school **very slowly**. Please **do not drive or park on our grassed areas or pavements**. Please do not block the roundabout or other cars. Please allow sufficient time to drive and park safely before collecting your child from an after school curriculum club. Mr Roberts is our Site Manager and he will be supporting our driving and parking expectations. Please be considerate and patient.

Kind regards,

Mrs A Orme

Personal Development Leader

Mrs C Diffin

Headteacher

Please make a note of the important dates below;

Monday 1st May- Bank holiday

Monday 8th May- Bank holiday

Monday 29th May- Bank holiday and May half term
