Dear Parents and Carers,

We are now a week into the final half term of the school year, it is now six weeks until we break up for the summer holiday on Friday 21<sup>st</sup> July. Every day at school counts so please ensure that your child attends school every day this half term. Teachers are currently writing children's reports and making end of year assessment judgements. On Tuesday 4<sup>th</sup> July, children will visit their new classes and parents can attend our open evening from 3:15pm to 4:30pm, connecting with current class teams and meeting new class teams. There will be lots of valuable transition opportunities during July.

If you have any queries or feedback, please get in touch so that we can work together to make our school the best that it can be for our community. If you have a concern, we will deal with it properly and work in partnership with you to secure a positive outcome. Thank you for your continued positivity, support and understanding – it is very much appreciated. Take care.

Kind regards, *Mrs C Diffin* Headteacher
