Vocabulary

roles and responsibilities	A responsibility is what you have to do as part of a job role.
hazard	A hazard is a danger or a risk. The emergency services have to make sure that they understand the hazards before they help somebody.
strenuous demanding	Strenuous or demanding means that something is really hard work. The emergency services have to put in a lot of effort and do regular exercise to keep fit. A firefighter may have to lift someone from a building.
equipment	Equipment is something that you have with you to help you do something. For example, a paramedic needs lots of medical equipment in their ambulance.
protect	Protect means that it keeps somebody safe from harm or injury. Emergency services wear protective clothes to keep them safe.
emergency	A serious situation or sudden disaster that calls for fast action.

Let's quiz

Autumn 1

'Let's quiz' was a huge success last year.

The children really enjoyed being quizzed and having the opportunity to show off their new knowledge. Your teachers from last year have told us how the children had the opportunity to practise the questions at home so were successful at the quiz. They were bursting to share their knowledge and get their best score!

Research says that when children repeatedly return to previously learnt information, they are more likely to **'Know and Remember More'** in the long term. Help your child to

Bring it forward
