Music	<p>→ I can listen with concentration and understanding to a range of high- quality live music. Experience live music making in and out of school. These could include performances by other school ensembles or year groups, or performances provided by other Music Education Hubs partners, which may include local or national ensembles (Richard Artur Indian Instruments)</p> <p>→ I can play untuned instruments musically using the inter-related dimension of pulse/beat, rhythm and pitch. use topic related vocabulary – bird names. Copy rhythms made by an adult on claves. Read and perform chant rhythm patterns with these words and represent with stick notation. Ext – create their own patterns and perform.</p> <p>→ I can play tuned instruments musically using the inter-related dimension of pulse/beat, rhythm and pitch. Play a range of singing games based on the cuckoo interval (so-mi, e.g. Little Sally Saucer?) matching voices accurately, supported by a leader playing the melody. The melody could be played on a piano, acoustic instrument or backing track. Sing short phrases independently within a singing game or short song. Recognise dot notation and match it to 3-note tunes played on tuned percussion, for example:</p> <div data-bbox="367 804 1032 932" style="text-align: center;"> </div> <p>→ Learn to recognise dot notation linked to pitch. Adult to play 3 notes on chime bars / pitched bells, children to identify the pattern played. Link to birds flying at different heights in the sky.</p>		

## Understand Performance

This unit focuses on developing every child's ability to recognise similarities and differences in performance.

**Dynamic Balance**  
On a Line

**Static Balance**  
Stance

In this unit, the children will develop and apply their dynamic balance on a line and stance through focused skill development sessions, cooperative and competitive games.
