## Who lives in a place like this?

### Spring Term 2

I know that different types of animals live in different habitats.

I know that some animals prefer hot climates and some prefer colder ones.

I know animals that live on a farm include cows, pigs, sheep, goats, donkeys and chickens.

I know animals that live in the jungle include tigers, snakes, elephants, monkeys, birds and crocodiles.

I know animals that live in Australia include kangaroos, wombats, dingos, emus and koala bears.

## farm animals

## Vocabulary

habitat	The place where animals live.
farm	An area of land especially for rearing animals and growing crops.
jungle	A thick forest with trees, plants and animals. We do not have jungles in England.
Australia	A large country on the opposite side of the world to England.
pets	Animals that you can look after at home.

# Let's quiz

Reception Spring 2 2024  
Who lives in a place like this?

'Let's quiz' is an exciting new game we have launched for the children. At the end of every topic they will take part in a fun quiz all about what they have learnt over the half-term. You can help your child to succeed and remember what they have learnt by talking about the questions together at home.

Research says that when children repeatedly return to previously learnt information, they are more likely to '**Know and Remember More**' in the long term.

1. What is a habitat?
2. Name 5 animals that live on a farm?
3. How many animals can you think of who like to live in hot climates?
4. What is your favourite animal. Can you describe it?
5. Which animals would make good pets.
6. What food comes from the farm?
7. Where is Australia?
8. How could you travel to the jungle?
9. Which habitat would you most like to live in and why?
