Let's quiz

'Let's quiz' is an exciting new game we have launched for the children.

At the end of every topic they will take part in a fun quiz all about what they have learnt over the half-term. You can help your child to succeed and remember what they have learnt by talking about the questions together at home.

Research says that when children repeatedly return to previously learnt information, they are more likely to **'Know and Remember More'** in the long term.

- Who took one small step for man on the moon?
- What planet do we live on?
- What is orbiting earth?
- Was it 1 year, 12 years or 55 years ago the first man landed on the moon?
- Was it Apollo 1, 11, or 21 that first landed on the moon?
- Who is the most recent English astronaut to go to space?
- What did Neil Armstrong say when he stepped onto the moon:

This is bumpy!

One small step for man, one giant leap for mankind.

I can see earth from here?

- What landmarks would I find in London?
- What did Beatrix Millhazes use in her sculptures?
- Name an illustrator for children's book who has helped us to draw?
