

Summer Term 2025 After School Curriculum Club Offer

Wednesday 23rd April 2025

Dear parents and carers,

Our curriculum club offer is to support children's broader development beyond the school day.

Some of the clubs on offer are led by external providers and some of the clubs on offer are led by school staff.

This term, we will offer a broad range of clubs to our Key Stage 1 (Years 1 and 2) children and our reception children.

We are hoping to encourage and inspire children to discover and develop their talents and interests. We would like to kindly ask that parents and carers of children with additional needs talk to their child's class teacher about club interests before requesting or booking places. This is so that we can enable all children to be happy and succeed with the necessary level of support.

Clubs led by external providers are to be booked directly with the external providers by following the instructions on the linked letters/flyers.

Rock Steady Club is an ongoing club with a monthly charge. This external provider led club runs all year round. Last year it was thoroughly enjoyed by the children who attended. It was amazing to see children develop and succeed. We value our partnerships with our external provider led clubs.

School led clubs are termly clubs and will run until the Summer holidays when a new Autumn term club offer will be shared. School led clubs are subsidised by the school. There is a small standard charge of £3.00 a week to contribute towards the staffing costs. For Art Club, there is an enhanced charge of £3.50 a week to contribute towards the staffing costs and the cost of resources. Payments should be made during the week beginning Tuesday 6th May via Parent Pay. To secure a club place, it is necessary to pay for the block of weeks, irrespective of children's attendance.

We are able to offer a limited number of school funded club places to children who are eligible for benefits related free school meals. Class teachers will approach parents discreetly to offer places to eligible children who show interest in particular clubs. It's important that our enrichment opportunities are fully inclusive.

To request places, complete the request form and return to school by Friday 25th April. You will know if your child has been allocated a club place on Tuesday 6th May. Payments will be expected week beginning Tuesday 6th May via Parent Pay.

We are able to offer up to 26 places in each of our school led clubs. We require a minimum of 8 paid places for a club to go ahead. If more than 26 places for a club are requested, we will operate a waiting list system. Children on the waiting list for a club will be prioritised for a place the following term.

We are asking parents and carers of after school curriculum clubs NOT to drive or park on site. We cannot safely accommodate so many vehicles on site at the same time. Our after school curriculum clubs all finish at 4:10pm:

- Musical Theatre and Football Club on a Monday
- Rock Steady on a Tuesday
- Cricket Club on a Wednesday
- Gardening Club on a Wednesday
- Dance Club on a Thursday
- Art Club on a Friday

Parents and carers collecting children from the above after school curriculum clubs will need to park safely and considerately in the community and then walk on site and up to school for 4:10pm.

Please allow sufficient time to drive and park safely before collecting your child from an after school curriculum club. Mr Roberts is our Site Manager and he will be supporting our driving and parking expectations. Please be considerate and patient.

Kind regards,

Mrs A Orme
Personal Development Leader

Mrs C Diffin
Headteacher
